

We move from Giesen to Emmerke
from the middle of July till approx. the
end of October 2008!

PLEASE NOTE

At present, unfortunately, we can be
reached partly among two addresses!

- under the previous known address
- and daily increasingly under the following new
phone number and address:

SOCON Sonar Control

Kavernenvermessung GmbH

Windmühlenstraße 41

31180 Giesen / District Emmerke / Germany

Tel. +(49) 5121 99819-0 Fax: +(49) 5121 99819-88

Old, known extension numbers persist largely!
